Re: Hannah Priddy v. Dr. Noah's Ark Veterinary Clinic, et al.
U.S. District Court, Eastern District of Wisconsin
Case No. 22-CV-474

Dear Judge Dries:

I represent State Farm Fire & Casualty Company in this case. Please be advised that State Farm and Plaintiff have reached a settlement. The settlement disposes of the claims asserted individually against Noah Arnold (deceased), and the two motions currently pending before the Court. The claims against Dr. Noah's Ark Veterinary Clinic remain.

We will be forwarding closing documents in the coming days. Thank you for your time and attention to the matter.

Very truly yours,

Mark D. Malloy
